WORKSHOP

Esthetics and soft tissue health around implants - Outcomes for long term predictability

Lecturer: *Dr. Bernard Touati and Mr. Jean-Marc Etienne*

Description:

The aim of this treatment planning session is to highlight using a team approach to identify and optimally control those factors that contribute to overall soft tissue health and stability in dental implant treatment. These factors include implant design, abutment type and shape, restoration contour and a meticulously and scrupulously executed sequence of clinical procedures.

At the conclusion of this session, the audience will be able to:

- Understand the importance of an accurate diagnosis and treatment plan.
- Design an optimal provisional restoration to develop and support peri-implant tissues.
- Properly sequence treatment for a successful implant restoration in the esthetic zone...

Dr. Bernard Touati

Dr. Touati is the Past President of the European Academy of Esthetic Dentistry. He is also a member of the American Academy of Restorative Dentistry, and the American Academy of Esthetic Dentistry. He is the past editor-in-chief of "Practical Procedures and Aesthetic Dentistry" (USA) and author of numerous publications and books; the latest is "Integration of Digital Ceramic Restorations" (Montage Media, USA, 2009).

IFED Congress 2013 - Exclusive tours in Munich and Bavaria

Dear IFED participants and guests, we are looking forward to welcome you in Munich and wish you a pleasant stay in Bavaria.

As a local event agency and official partner of the IFED Congress 2013, we would like to present you our best sightseeing tours that you can join during your stay in Munich. Explore the historical places of Royal Castles Neuschwanstein and Linderhof and get to know more about the remarkable story of King Ludwig and Empress Sissi, who lived in the region of Lake Starnberg.

On the day trip to Tegernsee you can discover the beauty of the Bavarian mountains and nature, while during the beer-, brewery- and gourmet tour in Munich you can enjoy the beer and Bavarian cuisine.

We are looking forward to show you the nature and beauty of the Bavarian region, the history and culture and the typical Bavarian restaurants which will make you want to stay.

It will be a pleasure for us to introduce you to our culture and the Bavarian "Gemütlichkeit"!
