

ABOUT IFED The International Federation of Esthetic Dentistry (IFED) was founded in 1994 by the American Academy of Esthetic Dentistry, the European Academy of Esthetic Dentistry and the Japanese Academy of Esthetic Dentistry.

THIS MONTH'S:

DENTSPLY Implants – the new powerhouse in implant dentistry – Join the company's workshop at the IFED Congress

DENTSPLY Implants is the union of two successful and innovative dental implant businesses: DENTSPLY Friadent and Astra Tech Dental. DENTSPLY Implants offers a comprehensive line of implants, including ANKYLOS®, ASTRA TECH Implant System™ and XiVE®, digital technologies, such as ATLANTIS™ patient-specific prosthetic solutions, 3D virtual surgical planning and surgical guides, FRIOS® augmentation products, as well as professional development programs.

DENTSPLY Implants cordially invites you to attend the company's half-day workshop at the IFED Congress on Wednesday, September 18, 2013, 14:00 – 17:00:

Implant excellence in most demanding situations – innovative concepts and refined tissue management with lectures of Dr. Robert Nölken, M.Sc. and Dr. Krzysztof Chmielewski, M.Sc. / Dr. Orcan Yüksel. The speakers will present you guidelines and case examples for providing highly esthetic treatment results on the long term, even in most complex and challenging situations – by using innovative product concepts like OsseoSpeed™ TX Profile implants with sloped shoulder contour or the patient-specific CAD/CAM prosthetics of ATLANTIS™ crown abutments and ATLANTIS™ ISUS implant suprastructures.
